

No Dogs Allowed

Tired of Seeing This Sign?

- Dog Owners Pay Taxes
- Taxes Pay for 43,000 acres of Suffolk County Parkland
- There are 650,000 dog owners in Suffolk County and we cannot let our dogs run on any of that land! Not for exercise, not for training, not for shows.

Suffolk County Legislator Jon Cooper has sponsored a bill to give dog owners access to Suffolk County Parks. The bill would create Suffolk County's first two dog runs.

Nassau County has 4 dog runs
NYC has 33 dog runs
The U.S. has 1000+ dog runs
Suffolk County has 0!

Dogs Need Exercise! Dog Owners Pay Taxes, Too! We Need Safe and Legal Places for Our Dogs!

Call your Suffolk County Legislator and urge him or her to support Jon Cooper's bill [IR-1217-2003] to create dog runs. These are the legislators that need to hear from us now:
